

MRO SUPPORT – VALUE-ADDED SERVICES

GE & AIR PRECISION CLOCKS

ELECTRONIC CLOCKS

OVERHAUL • REPAIR • EXCHANGE

For more than 30-years, Pacific Southwest Instruments (PSI), with headquarters located in Corona, CA, has been providing MRO support for GE and Air Precision Clocks, operating on the following platforms:

- DASH 8 & CRJ
- ERJ 145
- ATR 42
- AIRBUS A320, A330 & A340
- BOEING 737, 747 & 757

As an industry leader in the field of aircraft instrument repair, overhaul and exchange, PSI takes pride in providing our customers with value-added services and lowering your overall operating costs. Through our innovative engineering solutions, we have developed manufacturing processes to prolong the life of Legacy Instruments and Avionics. This holds true with our long-standing reputation of supplying DER replacement clock displays, batteries and switches.

CALL US TODAY! For more information please contact the PSI Customer Support Team at (800) 621-1736.
